Execution of Major and Medium Irrigation Project of Orissa

274. SHRI SUBAS MOHANTY: Will the Minister of WATER RESOURCES be pleased to state:

(a) What is the Seventh Five Year Plan outlay fixed for execution of major and medium irrigation projects in Orrisa;

(b) the amount allocated to that State for execution of these projects in the Seventh Five Year Plan so far year-wise;

(c) the strategy adopted for execution and completion of various on going major and medium irrigation projects; and

(d) the projects made so far for completion of these projects?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATI KRISHNA SAHI): (a) and (b) The approved outlay for Major and Medium Irrigation Programme for Seventh Plan in Orissa is Rs. 550 crores. The year-wise outlays are as under:—

	(Rs. in crores)
1985-86	90.70
1986-87	109.00
1987-88	159.13
1988-89	153.03

Further, an additional outlay of Rs. 22 crores has been provided under Drought Relief Programme for accelerating the creation of irrigation benefits in drought-affected areas of the State, and an advance plan assistance of Rs. 9.37 crores is available under the Special Foodgrains Production Programme. An advance plan assistance of Rs. 1.50 crores has also been provided for Mahanadi Delta Project.

(c) The strategy is to give priority to the completion of unfinished irrigation projects which are in advance stage and are capable of yielding benefits in the Seventh Plan. The steps taken by the Centre include earmarking of funds to select projects, provisions of scarce material for construction, and arranging external assistance, wherever possible, for augmenting the financial resources of the State.

(d) The information is given in the Statement enclosed.
